TUESDAY & THURSDAY, 3:30 - 4:45pm

Instructor: Maya Livio, maya.livio@colorado.edu

Description:

The course will address contemporary themes in digital culture from an intersectional feminist perspective. We will survey recent feminist critiques of technology and cover topics such as surveillance, virtuality, cyberfeminism, cyborg culture, the politics of social media platforms, gaming, and digital labor.

No prerequisites.

This course counts as an **Advanced Special Topics: Critical Perspectives in Technology** requirement for the TAM minor & Bachelor of Science.
