

STUDIO: MOBILE APP PRODUCTION

ATLS 4519/5519-070/071

T TH 9-10:50

Have an idea for a mobile app? Come build it!

Take your idea for a mobile app and make it reality. In this studio class you'll take your idea through the design process, including ideation, prototyping, and development, resulting in a minimum viable product.

Instructor: Aileen Pierce apierce@colorado.edu

Pre-requisites: ATLS 3000 or CSCI 1300 or instructor approval

This course is a TAM focus elective
